Independent Accountant's Review Report

To the Board of Directors
Elk County Council on the Arts

Report on the Financial Statements

I have reviewed the accompanying financial statements of the Elk County Council on the Arts (a nonprofit organization) which comprise the Statement of Financial Position as of August 31, 2021, the related Statement of Activities, Statement of Functional Expenses and Statement of Cash Flows for the year then ended and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

Reviewer's Responsibility

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Padraic McGrath CPA LLC

Notes to Financial Statements

For the Year Ended August 31, 2021

Note 1. Organization and Nature of Business

The Elk County Council on the Arts (Organization) is a non-profit corporation incorporated in the Commonwealth of Pennsylvania. The Organization is dedicated to promoting the cultural enrichment of the residents of Elk County and the surrounding area by expanding the opportunity for public participation in the arts. The Organization's goal is to enhance the lives of those residents and the various local artists by offering experiences in the arts, providing educational opportunity and advice, and by supporting performers, musicians, artists and writers.

Note 2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

In accordance with FASB ASC 958, Not-for-Profit Entities, The Organization is required to report information regarding its financial position and activities according to two classes of net assets: Without donor restriction and With donor restriction.

Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers cash and all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are stated at fair value in Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the Statement of Activities. Investment income and gains or losses including realized gains and losses on investments, interest and dividends are reported as changes in net assets in the Statement of Activities.

Accounts Receivable and Bad Debts

The Organization considers Accounts receivable to be fully collectible: accordingly, no allowance for losses is required. If amounts become uncollectible, they will be charged to operations when that determination is made. At August 31, 2021, there were no direct bad debts charged to operations.

Notes to Financial Statements

For the Year Ended August 31, 2021

Property and Equipment

Expenditures for Land, Building and improvements, and Furniture and equipment are recorded at cost. Donated assets are recorded at their fair market values at the date of donation. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. Depreciation of Property and equipment other than land is computed using the straight-line method. At August 31, 2021, depreciation expense was \$1,912.

Concentration of Revenue

Program income from the Commonwealth of Pennsylvania's Pennsylvania Partners in the Arts programs represent approximately 68% of the Organization's total Support and Revenue for the year ended August 31, 2021. If this funding was discontinued or delayed, this could affect the cash flow and Total Support and Revenue of the Organization adversely.

Compensated Absences

Expenditures for compensated absences are recognized in the period when paid.

Donated Services

The Organization receives a significant amount of donated services from unpaid volunteers who serve as directors and assist in fundraising and other projects. No amounts have been recognized in the Statement of Activities because the criteria for recognition have not been satisfied.

Revenue Recognition

The Organization recognizes revenue from contributions when received unless there is a specific purpose or time restriction. Membership revenue and Art gallery commissions are recognized at the point of sale. Grant revenue received that includes a service or performance obligation is recognized when the performance obligation has been achieved. Prior to revenue recognition, grant revenue received in advance is considered Deferred program revenue.

Income taxes

The Organization is a not-for-profit Organization that is exempt from taxes under Section 501(C)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision for income taxes is made in the financial statements. The Organization's income tax returns for the current and preceding two years are subject to examination by the Internal Revenue Service. There are currently no pending income tax examinations by taxing authorities.

Expense Allocation Methodology

The Organization allocates expenses between Program and Supporting Activities via analysis of personnel job functions and total cost of payroll. An expense account is either directly associated as a Program services activity or as Management activity or a Fundraising Activity. If the expense is not directly associated with a function, it is subject to allocation based upon a percentage of total payroll cost.

Notes to Financial Statements

For the Year Ended August 31, 2021

Note 3. Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash deposits at financial institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporations, which fully insures all noninterest bearing accounts and up to \$250,000 of interest bearing accounts per institution. At August 31, 2021, the Organization had no uninsured cash deposits.

Note 4. Endowment Funds

In prior years, the Organization received \$5,000 to fund an endowment account for the purpose of generating income to support the Organization's mission and operations, with the principal balance of \$5,000 to be maintained permanently. The current policy is to not distribute any amounts from the endowment account. Composition and changes in endowment net assets for the year end August 31, 2021 were as follows:

	Without Donor Restriction	With Donor Restriction	Total
Balance beginning of year	\$10,532	\$5,000	\$15,532
Investment income	2,228	-	2,228
Additions to funds Balance end of year	\$12,760	<u>\$5,000</u>	\$17,760

Note 5. Investment Returns

Investment returns consist of earnings from the endowment fund described in Note 4, as well as interest earned on cash deposits and certificates of deposit. Return on investments is summarized as follows for the year ended August 31, 2021:

Interest and dividend income	\$ 564
Investment management fees	(125)
Net realized and unrealized gains	1,789
Total investment return	\$ 2,228

Note 6. Deferred Program Revenue

The Organization was awarded grants from the Pennsylvania Council on the Arts. The grants fund local and community arts activities, artist residency programs and program administration costs. At times, the grants are funded in advance by the Commonwealth of Pennsylvania. When the grant funds are received, the Organization records the received amount as Deferred Program Revenue until revenue is able to be recognized. Revenue related to the arts activities and the residency programs is earned when an activity or program occurs. Revenue related to the administration is earned on a monthly basis. As of August 31, 2021, the total Deferred Program Revenue value was \$27,583. If the Organization is not able to complete all of the artist residency programs, the unearned portion of the grant will have to be returned to the Commonwealth of Pennsylvania.

Notes to Financial Statements

For the Year Ended August 31, 2021

Note 7. Line of Credit

The Organization has a \$30,000 line of credit with a regional bank. The terms of the agreement require monthly payments of interest at the rate of prime plus 1.25 percent (4.5%). The line of credit is secured by the building at 237 Main Street in Ridgway, PA. As of August 31, 2021, the line of credit was unutilized and the full amount was available to be drawn upon. The revolving line of credit renews bi-annually.

Note 8. Paycheck Protection Program

In February of 2021, the Organization received loan proceeds in the amount of approximately \$15,766 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provided loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after twenty-four weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the twenty-four week period. The unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months.

The Organization utilized the proceeds for purposes consistent with the PPP, and was granted forgiveness of the entire PPP loan in June of 2021. The total of the loan forgiveness in the amount of \$15,766 is classified as Contributions -governmental.

Note 9. Liquidity

Financial assets available for general expenditure, that is without donor or other restrictions limiting their use, within one year of the Statement of Financial Position, comprise of the following:

Cash and cash equivalents	\$222,088
Investments - endowment fund without restriction	12,760
Total Financial Assets available for general expenditure	\$234,848

As previously noted, a portion of the Financial Assets available for general expenditure will be utilized in the next fiscal year to pay general expenditures related to program activities and program administration costs.

Note 10. Subsequent Events

Subsequent events were evaluated through May 19, 2022 which is the date the financial statements were available to be issued.
